Hi Susan – here is the signed version with the updated line for Donald Brown.

Thanks for the review.

Should have the SAP for Fiddlehead Marina to you in a week or so.

Are you going to be a PM for any of the new grants announced this week? (e.g. Vancouver, Grays Harbor Coalition).

Hi Joel and Mike –

There are no substantive comments to the SAP.

Is it possible to make the change to the signature page from Karin to Donald M. Brown?

If we can get Mike's signature then route to EPA that would be ideal, otherwise we are ready to sign-off.

Thanks, Susan

**Subject:** SAP for Hardel Mutual Plywood Corporation - Olympia Brownfield Grant

Hi Susan – please see the attached SAP for the Hardel Mutual Plywood Corporation Site. To refresh your memory - the Phase I ESA for this site was completed using private funds not associated with the grant. We will have Mike sign the signature block at the end, similar to the other SAP you reviewed.

The HASP is available for download here (too big to attach):

Please let us know if you have any questions.
